COMPANY INTRODUCTION

Business Space Solutions for Global Companies

We help businesses build, operate, and evolve spaces that support growth, operations, and brand experience in Vietnam.

OUR MISSION

Designing Spaces Where Businesses Grow

We believe that business spaces should do more than represent a brand – they should support how businesses operate and grow.

By combining consulting, execution, and operational understanding, DIA delivers integrated solutions for modern business environments.

COMPANY HISTORY

PROJECT HISTORY

DIA CORE VALUES

Biz - Space

Business First

We design and execute spaces around how businesses operate and grow.

Reliable Execution

We believe trust is built through consistency, accountability, and execution quality.

Global Perspective

We bridge global expectations with local execution realities in Vietnam.

Long-Term Thinking

We focus on sustainable partnerships over short-term transactions.

Evolving Capability

We continuously adapt to meet the changing needs of modern businesses.

DIA Solution Ecosystem

Integrated solutions built around how businesses operate.

► Workplace Strategy

Work environments designed to support productivity, collaboration, and business growth.

Industrial Facility Solutions ◀

Operational and industrial spaces optimized for workflow efficiency and long-term performance.

► Retail & Pop-Up Activation

Retail and brand activation spaces that enhance customer engagement and real-world brand experience.

End-to-End Space Execution ◀

Integrated execution from planning and coordination to construction and operational delivery.

DIA Integrated Solutions

End-to-end business space solutions for modern businesses.

DIA's multi-industry experience allows us to understand how businesses operate, engage customers, and grow through space.

WHY DIA?

DIA combines business understanding, global expectations, and local execution to deliver integrated space solutions in Vietnam.

Global Business Experience

Supporting multinational companies across diverse business environments.

Integrated Execution

Consulting, planning, design, and execution in one workflow.

Vietnam Market Expertise

Strong understanding of local execution and operational realities.

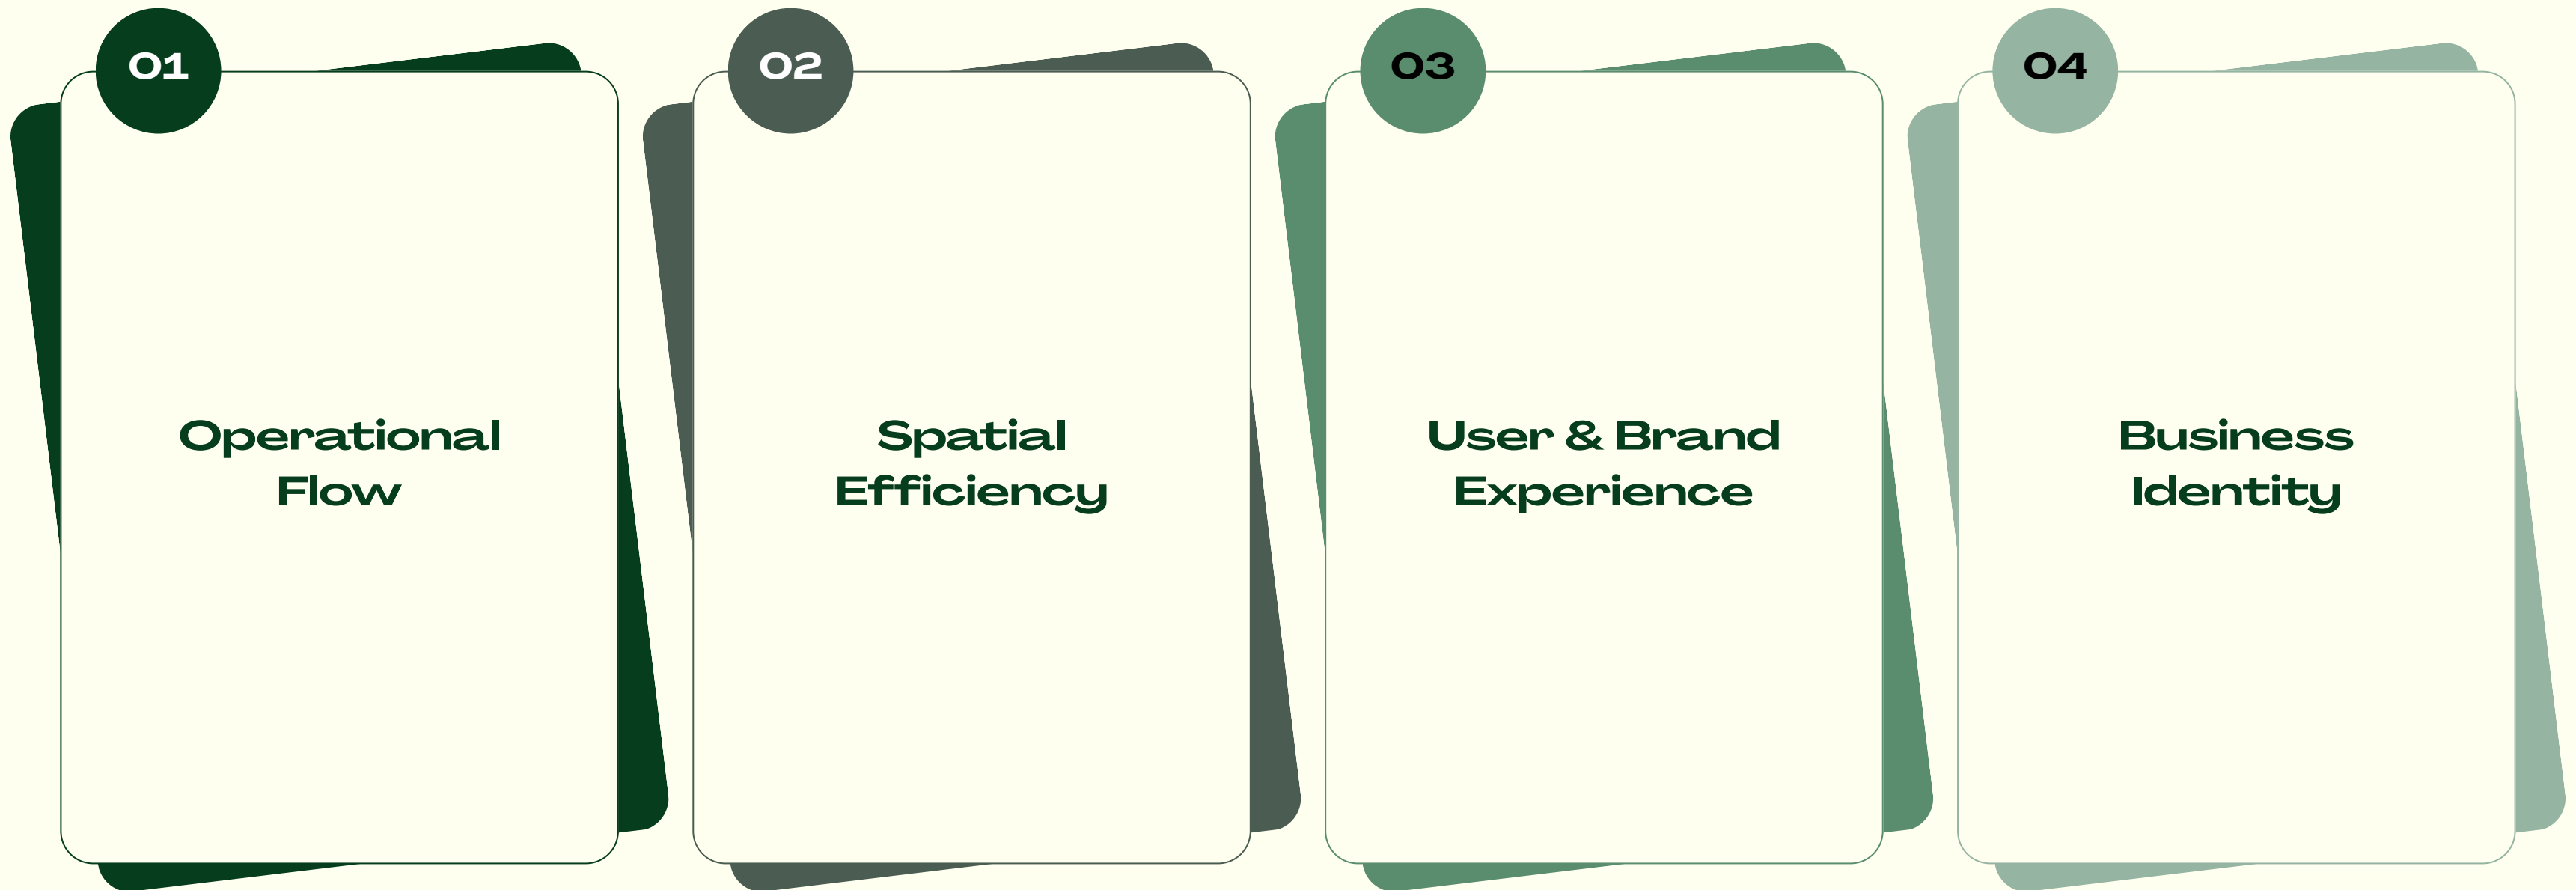

Flexible Solutions

Tailored solutions for different business and brand needs.

DESIGN APPROACH

DIA begins by understanding how businesses operate, interact, and grow.

We design spaces that balance efficiency, experience, and brand identity.

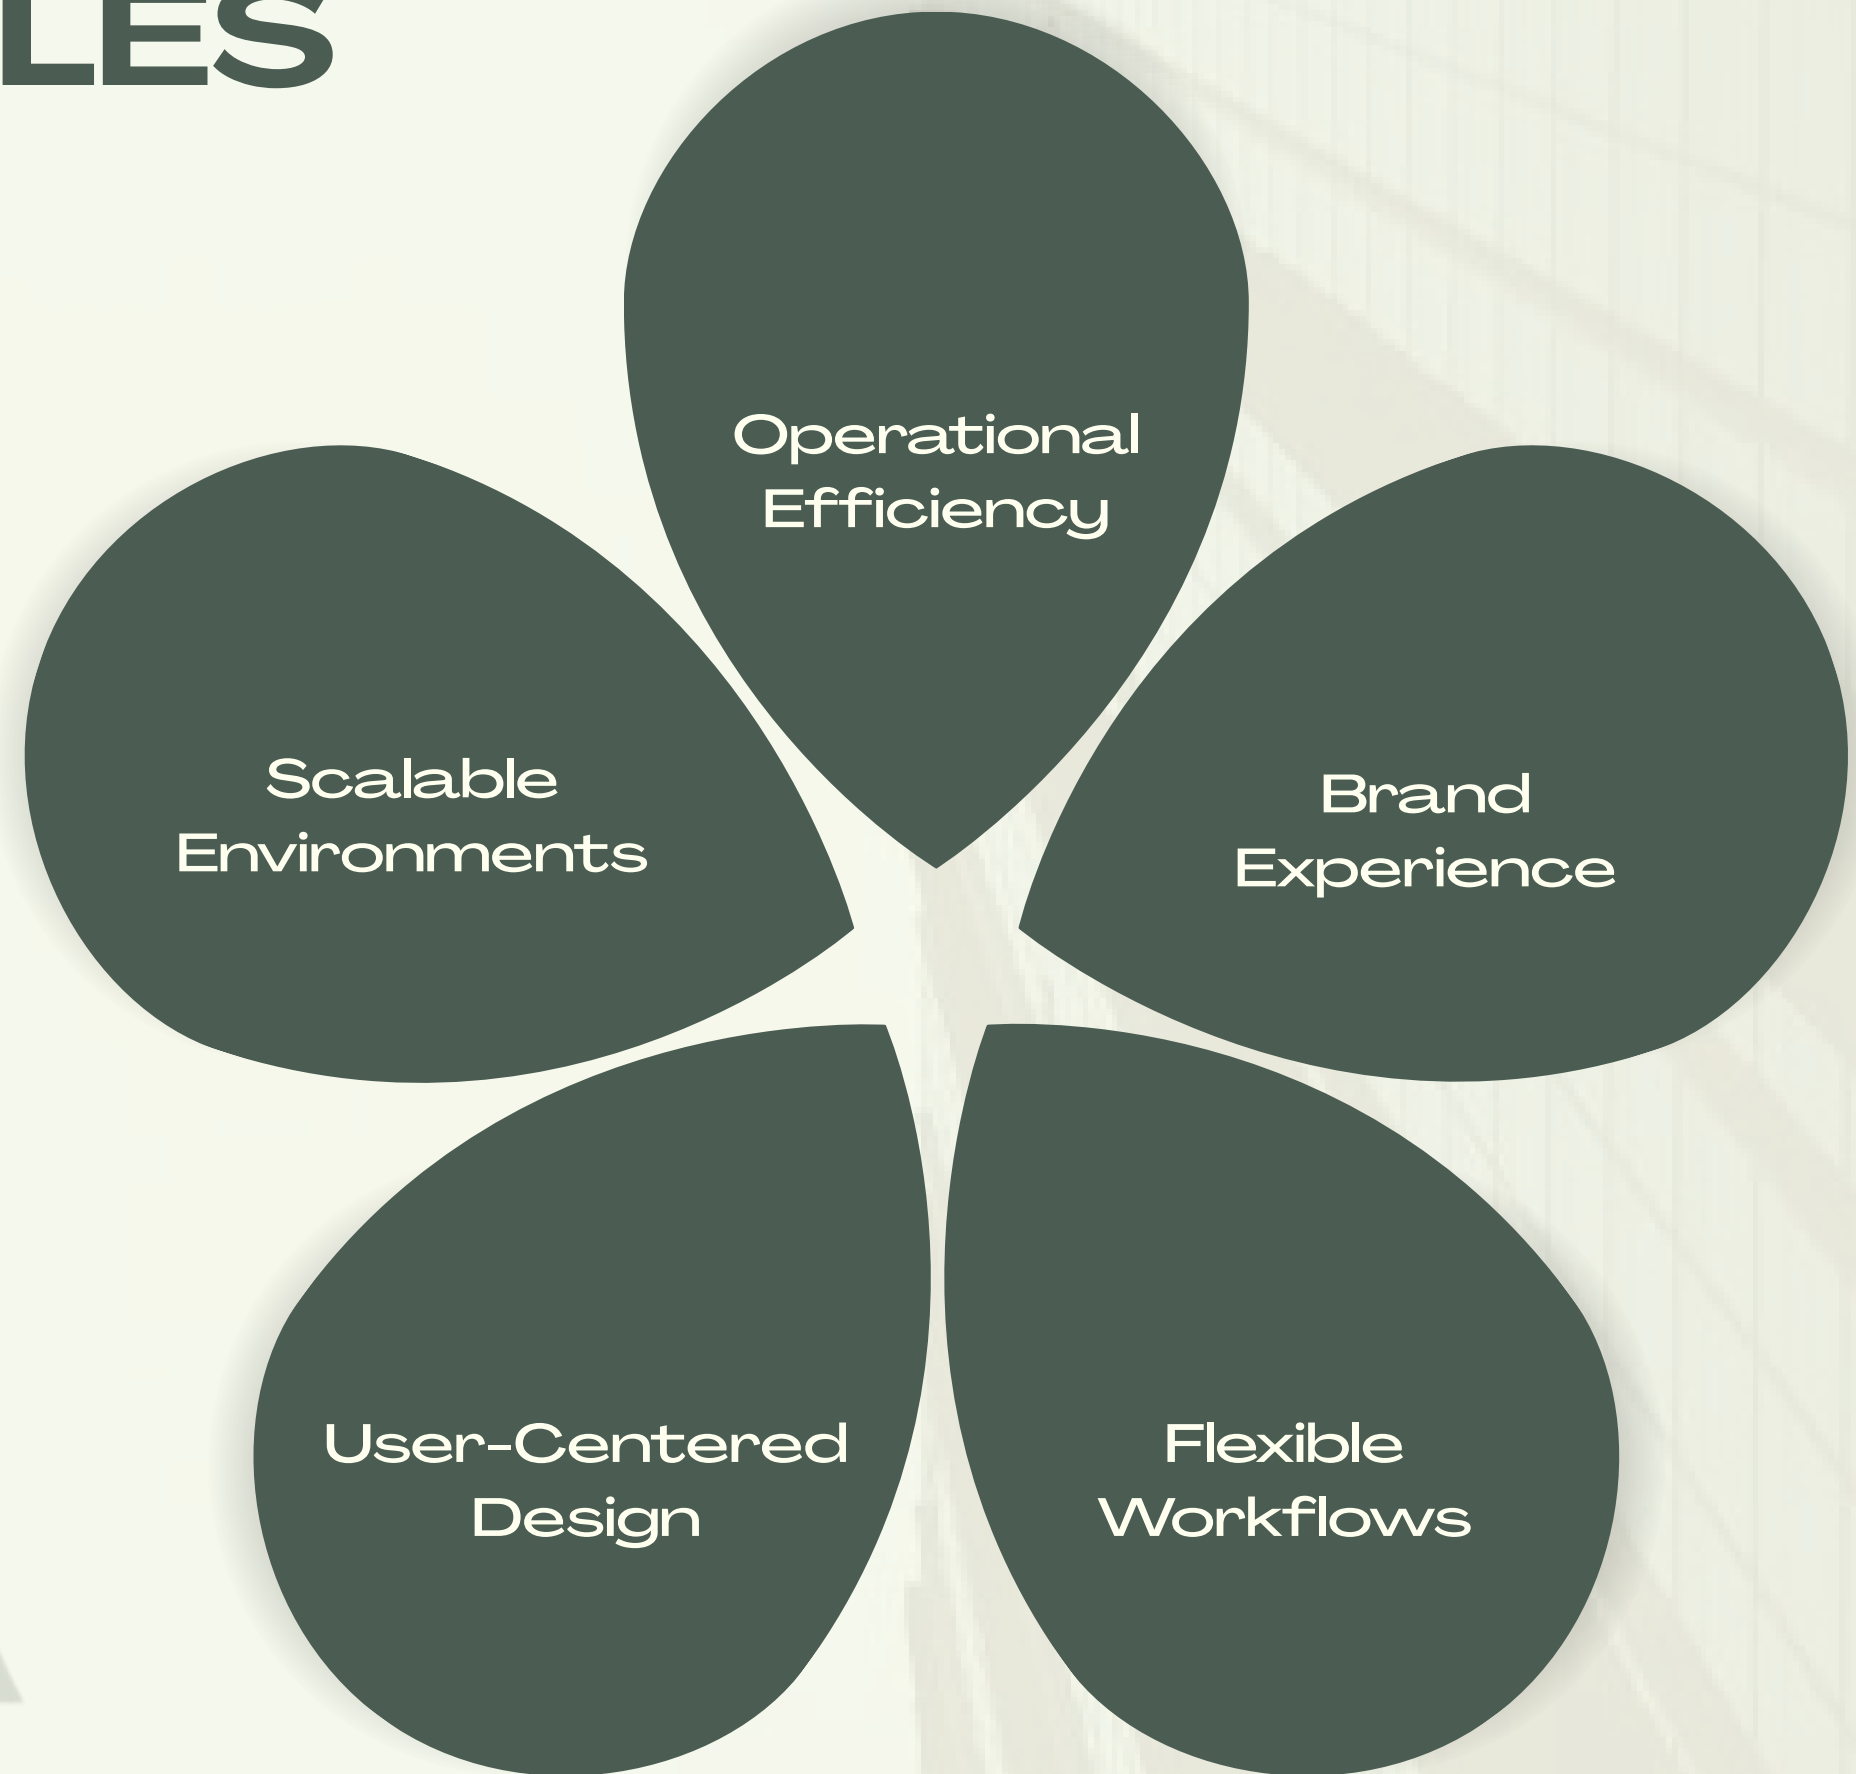

WE ANALYZE

DESIGN PRINCIPLES

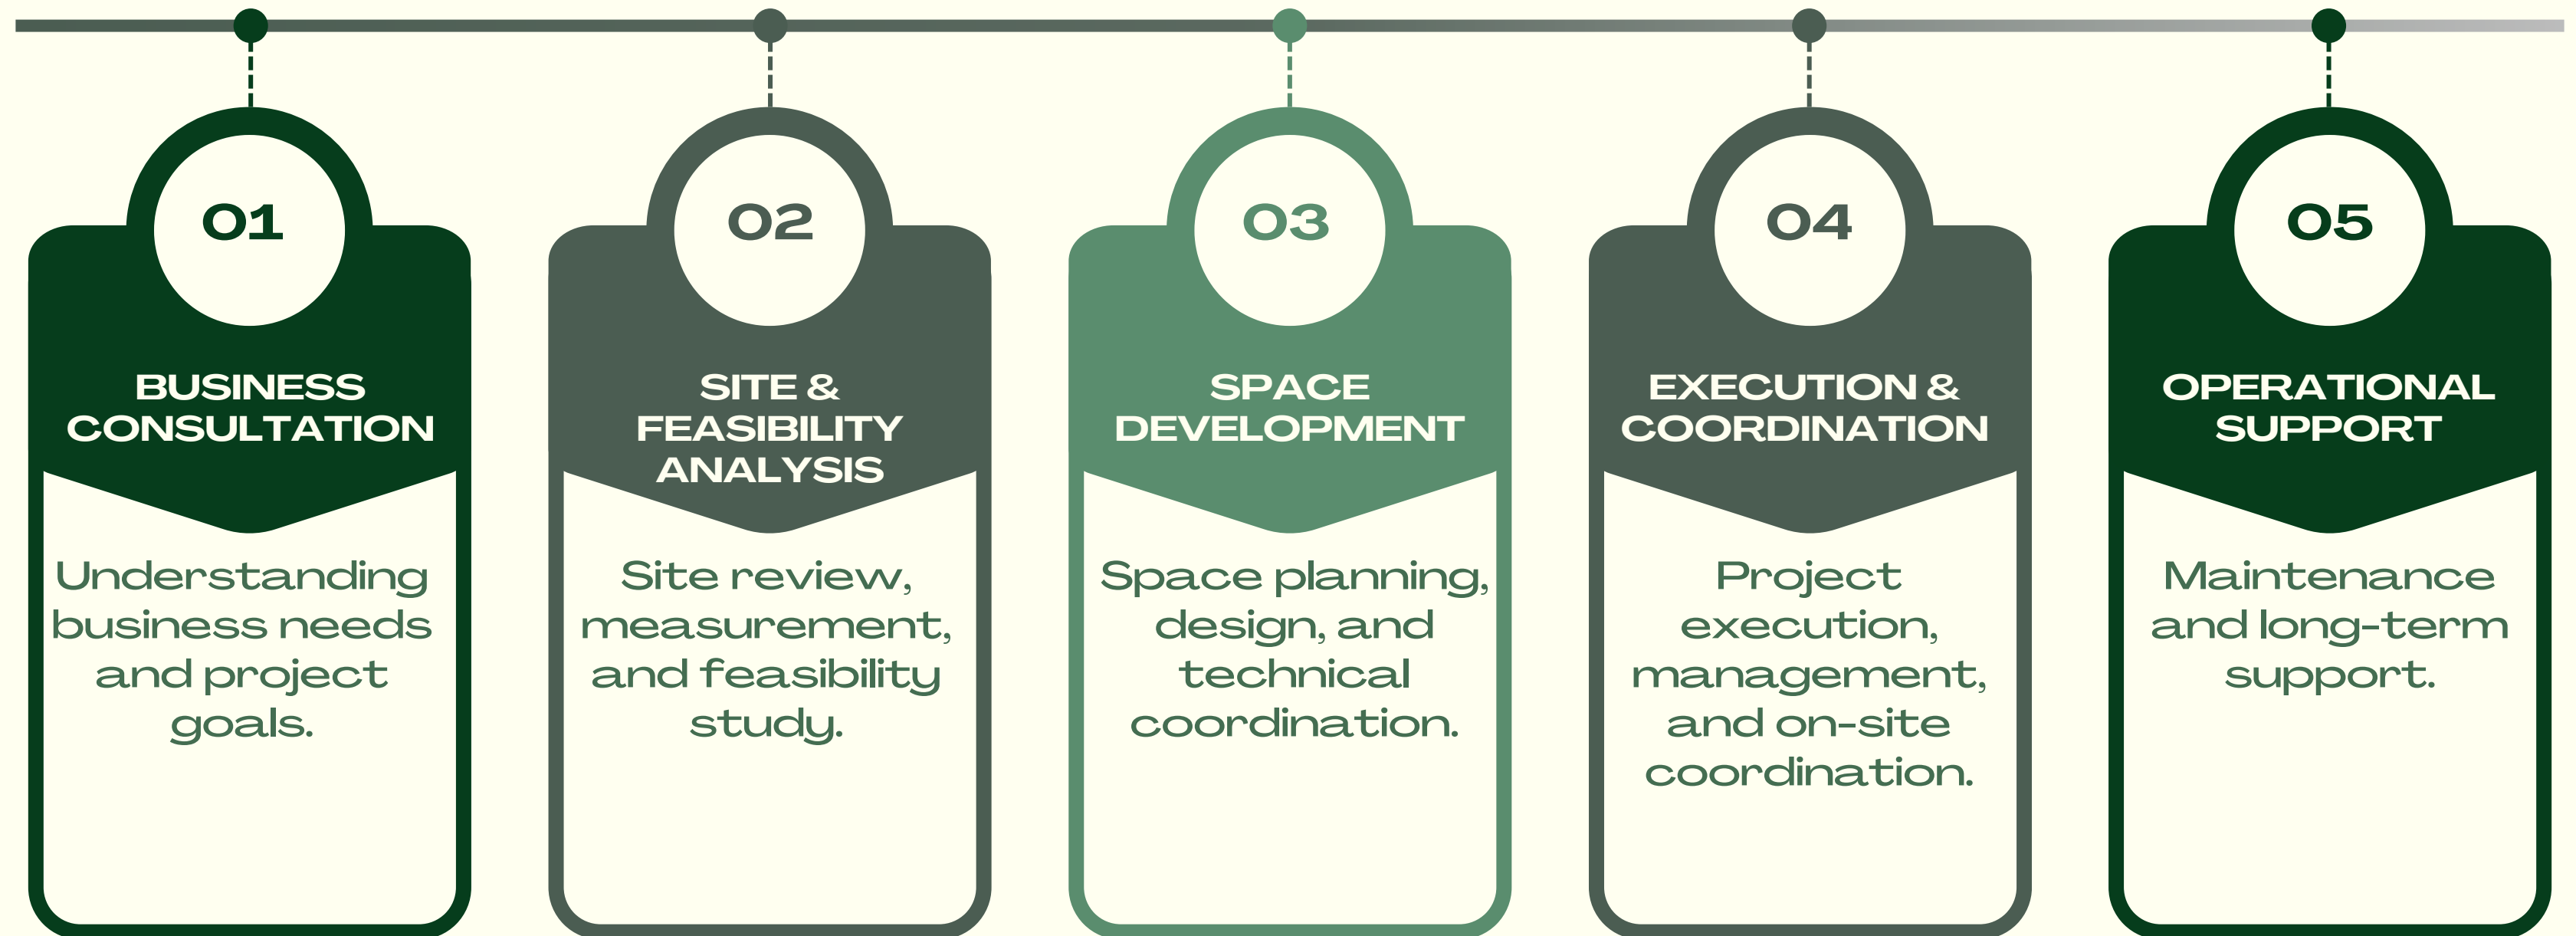

DIA develops each space based on operational needs, brand identity, and user experience.

Every project is tailored to support how businesses work, engage, and grow.

DIA

PROJECT PROCESS

Our structured workflow ensures smooth project delivery.

LET'S CREATE TOGETHER

Thank you for taking the time to explore DIA Biz-Space.

At DIA, we believe space is part of how businesses operate, communicate, and grow.

By combining business understanding, local execution, and integrated coordination, we help companies build environments that work- operationally and strategically.

We look forward to partnering with you.
